Lacking Liquidity is, among other things, a curatorial project. Many of the images on this site are not ours – they are photographs, frames, screenshots, and works by photographers, journalists, filmmakers, artists, military public affairs officers, and other creators whose work we admire and have included here under fair use, editorial use, or other applicable rights.

We try to credit every image whose source we know. If you see your work on this site and want credit added, removed, or corrected, please email lackingliquidity@lackingliquidity.com and we'll handle it promptly. We are big fans, not adversaries.
